## Trainers

**Carol Brooks Simoneau**  
Training Associate  
Center for Cognitive Coaching<sup>SM</sup>  
carolsimoneau@gmail.com

“It was a great experience! Advanced Cognitive Coaching training provided an opportunity to delve into and reflect on my beliefs and values as both an instructor and a cognitive coach, I am now better able to mediate the thinking of others, because my skills are sharper and my understanding of the power of cognitive coaching is deeper. Learning is a constant part of my life’s journey, so continuing down the path of cognitive coaching training ensures that I can ‘walk the talk’.”

Advanced Participant  
New Mexico, 2011

## Advanced Outcomes

Refined and extended  
core coaching  
capabilities and skills

Expanded possibilities of  
and applications for our  
identities as mediators

Personal coaching  
mastery framed as a  
journey, not a  
destination
